About the course

Boston Children's Hospital and Beverly Hospital, a member of Lahey Health, present the **Beverly Hospital 2018 Pediatric Healthcare Summit**, a free, community-based continuing medical education (CME) seminar. This half-day course is designed to inform pediatric primary care providers of the changing trends in the management of common health concerns among children.

Please join us on **Tuesday, April 10**, for presentations and discussions focused on topics that are relevant and timely to pediatric practices.

Course objectives

Upon completion, you will be able to:

- Describe recent advances in the evaluation and treatment of Lyme disease
- Understand the management of common pediatric dermatologic conditions
- Evaluate and manage common pediatric sports injuries
- Develop a management plan for patients with an anxiety disorder

Target audience

This summit is intended for pediatricians, pediatric nurse practitioners, nurses, physician assistants and other members of the health care team.

CME credits

Beverly Hospital, a member of Lahey Health, designates this educational activity for a maximum of 4 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This activity has been planned and implemented in accordance with the Essential Areas and policies of the Massachusetts Medical Society for Continuing Medical Education through the joint sponsorship of the Beverly Hospital, a member of Lahey Health, and Boston Children's Hospital. Beverly Hospital, a member of Lahey Health, is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

Course director

Theresa Becker, DO

*Executive Network Director,
