About the course

Boston Children's Hospital and Milford Regional Hospital are proud to present the **Milford Hospital 2018 Pediatric Health Care Summit**, a community-based continuing medical education (CME) seminar. This course is designed to inform pediatric primary care clinicians of the changing trends in the management of common health concerns among children.

Please join us on **Wednesday, October 3**, for a half day of presentations and discussions focused on topics that are timely and relevant to pediatric practices.

Course objectives

Upon completion, you will be able to:

- evaluate recent basic science and clinical advances in pediatric topics
- discuss new research in pediatric topics
- evaluate traditional principles of care in light of recent scientific advances in pediatrics

Target audience

This summit targets pediatricians, pediatric nurse practitioners, nurses, physician assistants and other members of the health care team.

Inquiries

Please direct all inquiries to:
cmedepartment@childrens.harvard.edu

CME credits

In support of improving patient care, Boston Children's Hospital is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Boston Children's Hospital designates this educational activity for a maximum of 4 *AMA PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
