

Advances in Pediatric Health Care 2021

Register | bostonchildrens.cloud-cme.com/advances2021

Topics

- Health Equity
- Common Pediatric Urology Concerns
- COVID-19 Updates
- Updates in Pediatric Dermatology
- COVID-19 & Return to Play/ Cardiomyopathy
- Avoidant Restrictive Food Intake Disorder

Objectives

1. Evaluate recent basic science and clinical advances in pediatrics
2. Determine the bench to bedside applications of recent scientific advances to the clinical care of children
3. Evaluate traditional principles of care in light of recent scientific advances in pediatrics

Registration

To register, please visit bostonchildrens.cloud-cme.com/advances2021. If this is your first time registering for a course at Boston Children's Hospital, you will need to create an account. Please use an email address that you check frequently, as it will be used to send important information about the course.

General Registration Fee	\$100
Trainee/Student Fee	\$50

Pre-registration is required. Once you have registered you will receive a confirmation email with a registration receipt. Course access instructions will be sent a few days prior to the course launch. If you have questions or need assistance with registration, please direct all inquiries to cmepartment@childrens.harvard.edu.

Online Course Cancellation, Transfer & Refund Policy

Due to the propriety materials and content of each course, online virtual courses orders are NOT eligible for refund, cancellation or transfer.

Other Terms and Conditions

Online training courses may NOT be transferred to another Participant. Participants have 2 weeks to access any virtual online course content. Participants have until the expiration date to access and complete any enduring material courses. Boston Children's Hospital CE is not responsible for user technical difficulties including loss of internet, power outages, etc.

Cancellation of Services

Although highly unlikely, in case an event is canceled or postponed, Boston Children's can provide a full refund or offer a credit towards future events to those who have already registered.

Refund Policy

Refunds will be made in the following ways: For payments received by credit or debit cards, the same credit/debit card will be refunded.

Accreditation

In support of improving patient care, Boston Children's Hospital is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credits

- CME - AMA PRA Category 1 Credits™ (4.75 hours)
- Non-Physician (Attendance) (4.75 hours)
- CNE (Nursing) (4.75 hours)

Thursday, October 28, 2021

9 a.m. – 3 p.m., on-line

bostonchildrens.cloud-cme.com/advances2021

Overview

Pediatric care is changing and improving all the time, and it can be difficult for clinicians to stay on top of the newest practices, treatments, and approaches. Professionals are challenged to stay current in the innovations and advances that can lead to better outcomes and improve the quality of care for children.

Course Directors

- **Grace Chi, MD, MD, MS**
Instructor, Harvard Medical School;
Director, Urgent Care at Boston Children's Primary Care at Longwood
- **Michelle Fleck, BS, RN, CPN**
Nurse Educator Boston Children's Hospital Primary Care at Longwood and Martha Eliot Health Center
- **Corinna Rea, MD, MPH**
Pediatrician, Children's Hospital Primary Care (CHPCC);
Fellowship Director, General Academics Pediatric Fellowship;
Assistant Professor of Pediatrics, Harvard Medical School

Course Format

To serve our attendees' needs, Advances in Pediatric Healthcare 2021 is a fully on-line offering. Opportunities to interact with the speakers and the content will be maximized through Q&A, while convenience will be maintained with recorded sessions available for a short period after the live course date.
