

Frontiers in Pediatric Surgery 2021

Live Webinar | Wednesday, March 3, 2021
7:45 AM - 4:15 PM

[Bostonchildrens.cloud-cme.com/frontiers2021](https://bostonchildrens.cloud-cme.com/frontiers2021)

Overview

This course is designed to meet the physicians', physician assistants', nurse practitioners', nurses' and other health care providers' need for enhanced knowledge and competence and improved performance in caring for patients with common surgical problems in multiple pediatric surgical subspecialties. It is designed to address the common issues seen by the practicing pediatrician, physician assistant, nurse practitioner and/or nurse in their daily practice. It allows the attendee to enhance his/her ability to make a surgical diagnosis, improve their initial screening process, and increase their knowledge of when to refer to a specialist. The speakers also touch upon the latest literature information on their respective subjects.

The course is designed based on feedback received from the practicing pediatricians and surveys from past conferences. Interactive learning formats such as Q&A, small group discussions and didactic lectures will be provided. This will engage the learners in the educational process and help them develop new strategies they can apply in their daily practice.

Boston Children's Hospital

Where the world comes for answers

HARVARD MEDICAL SCHOOL
TEACHING HOSPITAL

Objectives

Upon completion of this course, participants will be better able to:

- » Discuss recent basic science and clinical advances in pediatrics
- » Determine the bench to bedside applications of recent scientific advances to the clinical care of children
- » Evaluate traditional principles of care in light of recent scientific advances in pediatrics

Course Format

The 2021 course will be presented over zoom.

Registration Fee

- **\$100** Physician
- **\$100** Allied Health Professional
- **\$75** Nurse

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Accreditation

In support of improving patient care, Boston Children's Hospital is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team

Physician

Boston Children's Hospital designates this live activity for a maximum of 7.25 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in this activity.

AAPA accepts AMA category 1 credit for the PRA from organizations accredited by ACCME.

Nurse

Boston Children's Hospital designates this activity for 7.25 contact hours for nurses. Nurse should only claim credit commensurate with the extent of their participation in the activity.

Physician Assistants

Boston Children's Hospital has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 7.25 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.
